

I Can't Help It (If I'm Still In Love With You)

By Hank Williams

F#7 B F#7 B B7 E B
Today I passed you on the street, and my heart fell at your feet.

F#7 B
I can't help it if I'm still in love with you.

F#7 B F#7 B B7 E B
Somebody else stood by your side, and (s)he looked so satisfied.

F#7 B
I can't help it if I'm still in love with you.

E B
A picture from the past came slowly stealing
F#7 B B7
As I brushed your arm, and walked so close to you.

E B
Then suddenly I got that old time feeling

F#7 B
I can't help it if I'm still in love with you.

[Instrumental verse]

E B
It's hard to know another's lips will kiss you
F#7 B B7

And hold you just the way I used to do.

E B
Oh, heaven only knows how much I miss you

F#7 B
I can't help it if I'm still in love with you.

F#7 [ritard] B F#7 B
I can't help it if I'm still..... in love with you.
