

Our Father (The New, Revised Edition) by Susan Werner

1/31/09

Chorus :

 C F C
Thy kingdom come to every nation

 G
Thy will be done in everything we do

 C C7 F Fm
Lord, lead us not into temptation

 C G C C
But deliver us from those who think they're You

Interlude: C7 F Fm C G

Lord send us forth to be of service
To build the schools, to dig the wells
And deliver us from the creepy preachers
With their narrow minds and very wide lapels

Chorus

Lord send us forth to bring compassion
to every corner of the world
And please allow for women in the Catholic priesthood
And remind the pope that he coulda been a girl

Chorus

Slowly:

And deliver us from politicians
Who drop Your name in every speech
As if they're Your best friend from high school
As if they practice what they preach

Chorus

Ending:

 C C7 F Fm
Lord, lead us not into temptation

 C G F C
But deliver us from those who think they're You
(a capella)
Amen...
